Those with an objection to a particular subtopic or media presentation may excuse themselves from class activities temporarily and may arrange for approval from the professor to engage in an alternate educational experience.

RESEARCH TOPIC ESSAYS are due 6/12 in essay form for 10% of the grade. This assignment will provide students with a head start on their research topic of interest.

In Class Exam Format: multiple choice, true/false, definitions and an essay (1 out of a choice of 3). A review sheet is in the coursepack for the two exams to provide sample questions from lectures, guest speakers, presentations and readings that will be represented on the test. **RESEARCH TIPS** Use critical thinking skills to uncover questions about social structures, policy enactment, enforcement efforts, and cultural expectations that may promote or discourage family violence. How might society prevent or reduce a chosen form of violence? What are the challenges to professionals in the field? Paraphrase and cite at least 5 recent peer reviewed journal articles/books in the text of the paper/presentation and in the bibliography. Journal and book references are ideal, newspaper articles are good for recent information, websites for government documents and official organizations are more reputable than information found on random internet websites. For internet sources you must indicate the organization or government office producing the document, the author, title, and a short simplified web address (not a long string of cyber lingo). In addition, personal interviews of victims, perpetrators or service providers could add an interesting case study to the project—cite those in addition to the 5 peer-reviewed academic sources. The Salari 2015 book could be included, but do not “count” our class readings as one of the 5 researched sources. Remember, your counterparts may be using more than 5 sources.

REQUIRED: Students must produce original research for this topic—NO RETREADS—papers handed in elsewhere, borrowed work, plagiarism of published studies, etc.

RESEARCH PAPER REFERENCE CITATION INSTRUCTIONS--APA Style
Students must properly cite their sources of information in a bibliography and throughout the text of a paper. For example, if you used information from Jones 2010, you would write:

Jones (2010) reports that....
or

Children living in homes where parents are addicted to methamphetamine are living in dangerous conditions and may be severely neglected (Jones, 2010).

On the bibliography page, the citations should be properly listed in alphabetical order. For citations, follow the examples below:

For a Book:

For a Chapter in an Edited Book:--Remember to give credit to the author of chapter

For a Journal Article:
(In this case, 35 is the volume number, 3 is the issue and 457-468 are the page numbers).

Multiple Authors of one Article: Cite them all in the bibliography. If 3 or more, in text cite
...Child abuse harms more children than auto accidents (Jones et al, 2010).
If only two authors, always cite both in the text of the paper.
Always give full credit to the original study, even if it was cited in another book.

Internet sources--Be aware that anyone can put anything onto the internet (not necessarily accurate). I want to know who put the info you got online. Try to list as much info as you can about who is responsible for the listing. You should also provide the internet address in the citation and date accessed.

For papers, failure to cite sources of information throughout the text of the paper and in the reference list will result in severe point loss. Late papers may not be accepted and if accepted, will be severely penalized (3 points per day overdue, including weekend days).
**UNIVERSITY AND DEPARTMENTAL STANDARD SYLLABUS ITEMS**

**Students with Special Needs:** The University of Utah seeks to provide equal access to its programs, services and activities for people with disabilities. If you will need accommodations in the class, reasonable prior notice needs to be given to the Center for Disability Services, 162 Union Building, 801-581-5020 (V/TDD). CDS will work with you and the instructor to make arrangements for accommodations.

**Academic Honesty:** All honesty and plagiarism policies established by the University of Utah will be upheld in this class. Academic misconduct includes, but is not limited to, representing another’s work as your own, collaborating on individual assignments, and submitting the same work for more than one course without the permission of both instructors. Any of these actions will not be tolerated.

If you include information from outside the class or quotes in your written assignments (with the exception of exams), you must provide citations and a reference list. Avoid the urge to over-rely on quotes; a written assignment that is substantially made up of quoted material will not be considered to be your own work.

If it is discovered that you have engaged in academic misconduct of any type in this course, the Family & Consumer Studies departmental policy requires a failing grade in the course and be reported to the Dean and the VP for Academic Affairs, who will keep your name on record. Should you be reported more than once, you may face University expulsion.

For further information about the University of Utah’s policies regarding academic misconduct, please refer to the online version of the Student Handbook and look for “University Code”: [http://www.acs.utah.edu/sched/handbook/toc.htm](http://www.acs.utah.edu/sched/handbook/toc.htm)

**University Drop and Withdrawal Policies:** You may drop this class without penalty or permission until the date specified in the schedule. You may withdraw from the course without permission during the scheduled withdrawal period, but a “W” will be recorded on your academic record, and applicable tuition and fees will be assessed. After the last day to drop, you will not be allowed to withdraw from this course. If you have any questions regarding this policy, please contact the Office of Admissions and Registrar at (801) 581-5808.

---

**Policy is that students who do not complete the work within 1 year will automatically receive a failing grade.**

---

**Incompletes:** In order to qualify for an “Incomplete” in any University of Utah course, you must complete no less than 80% of the course work and be in good standing (i.e., have earned at least a C on all completed work) and receive permission from the instructor. The FCS Department requires a failing grade in the course if it is discovered that you have engaged in academic misconduct of any type in this course, the Family & Consumer Studies departmental policy requires a failing grade in the course and be reported to the Dean and the VP for Academic Affairs, who will keep your name on record. Should you be reported more than once, you may face University expulsion.

---

**Technology Statement:**

It is expected that students will maintain a respectful and civil atmosphere during class meetings. Thus, expectations are that students:

- Prevent disruptions by turning off and refraining from use of cell phones and ipods, and by putting away extraneous reading materials.
- Use of laptop computers in class is limited to coursework.

In order to maintain a positive, civil environment for learning I expect that all students will strive to meet the goals described in the University of Utah’s Student Code, which states “the mission of the University of Utah is to educate the individual and to discover, refine and disseminate knowledge. The University supports the intellectual, personal, social and ethical development of members of the University community. These goals can best be achieved in an open and supportive environment that encourages reasoned discourse, honesty, and respect for the rights of all individuals. Students at the University of Utah are encouraged to exercise personal responsibility and self-discipline and engage in the rigor of discovery and scholarship.”

---

**Instructor Responsibilities:** The instructor will…

1. Be prepared for class.
2. Arrive on time or early for class and have all equipment set up.
3. Use a variety of teaching methods, including lecture, group work, discussion, demonstrations, films, etc. in an effort to create a stimulating learning environment and accommodate different learning styles.
4. Provide feedback on assignments in a timely manner.
5. Be available for individual consultation during office hours or by appointment.
6. Reply to email within 48 hours, not including weekends or holidays.
