FCS 3215-090  Development in Infancy and Childhood (3 cr.)

THIS IS AN ONLINE COURSE

Instructor:  Aimee Fox  
Email: aimee.fox@fcs.utah.edu  
Office Hours: By appointment

Course Learning Objective:  
The primary goal of this course is to introduce students to the field of child development from conception through middle childhood. This course emphasizes normal physical, cognitive, and social development and the interrelations among these aspects of development in a variety of contexts (e.g. family, culture, school, community). This course will encourage you to critically examine both your personal experiences and the empirical literature on child development. This course will also encourage you to apply the information you learn to real life situations with children.

Online Course Requirements:  All course work is completed on Canvas. Make sure you are familiar with Canvas prior to class. Each week will consist of required reading from text, an observation activity, posting on small group discussion board, and a quiz. The three exams will be available in canvas, open book, and timed.

Requirements:  Grade will be assigned on the following basis:  
1. Weekly Observation Report  200 pts (20 pts each)  
2. Weekly Discussion Posts  100 pts (10 pts each)  
3. Weekly Quizzes  100 pts (10 pts each)  
4. Exam I  100 pts  
5. Exam II  100 pts  
6. Exam III  100 pts
